# 5th Annual NC Cybersecurity Symposium

2026
5th Annual
North Carolina
Cybersecurity Symposium
February 19th & 20th

Hosted by NC-PACE
McKimmon Center, NCSU Campus
Raleigh, NC

Keynote presenters include **Bernice Russell-Bond**, Chief Information Security Officer for the State of North Carolina, and **Jeff Crume**, IBM Distinguished Engineer.

Secure Computing Institute - NC Tech Association Award Finalist

The Secure Computing Institute is one of five finalists in the NC Tech Association's Core Innovation Award for Cybersecurity.

"The Core Innovation Awards celebrate the most transformative and forward-thinking technology solutions emerging from North Carolina's dynamic tech ecosystem. These awards recognize companies and organizations that are harnessing cutting-edge technologies to solve complex challenges, disrupt industries, and drive measurable impact."

"The finalists and winners will be honored on Tuesday, December 9 at the Raleigh Convention Center. This is our largest event of the year, bringing together 700+ leaders from technology, business, education, and government to celebrate growth, innovation, and leadership in the State's vibrant tech sector."
